BRUNE

GUILD | BOISELLE COLLECTION

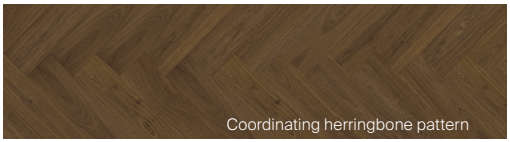

Boiselle captures the essence of natural beauty: fresh, clean, and quietly expressive. Salt suggests purity and preservation, while wood speaks to warmth, texture, and craft. Together, they evoke a sense of clarity and calm, a return to something honest and elemental. This Select Grade collection is marked by soft tonal shifts, subtle textures, and an effortless elegance that feels both modern and timeless. Rooted in heritage craftsmanship yet designed for today, Boiselle offers a refined foundation, one that brings a sense of ease, intention, and inspired living to every space.

The deepest shade in the Boiselle collection, *Brune* offers a rich hazelnut tone with refined depth. Its velvety neutral base and elegant grain pattern make it a strong yet flexible anchor for both modern and traditional spaces. Whether used wall-to-wall or as a dramatic accent, *Brune* adds structure, contrast, and quiet sophistication.
