MARUNE

GUILD | BOISELLE COLLECTION

Boiselle captures the essence of natural beauty: fresh, clean, and quietly expressive. Salt suggests purity and preservation, while wood speaks to warmth, texture, and craft. Together, they evoke a sense of clarity and calm, a return to something honest and elemental. This Select Grade collection is marked by soft tonal shifts, subtle textures, and an effortless elegance that feels both modern and timeless. Rooted in heritage craftsmanship yet designed for today, Boiselle offers a refined foundation, one that brings a sense of ease, intention, and inspired living to every space.

With its toasted caramel base and aged wood character, *Marune* adds visual depth and warmth. It feels timeless and tactile, a color that brings story and subtle drama to the space. Ideal for rooms that call for mood and materiality, *Marune* elevates without overwhelming.
