SELLE

GUILD | BOISELLE COLLECTION

Boiselle captures the essence of natural beauty: fresh, clean, and quietly expressive. Salt suggests purity and preservation, while wood speaks to warmth, texture, and craft. Together, they evoke a sense of clarity and calm, a return to something honest and elemental. This Select Grade collection is marked by soft tonal shifts, subtle textures, and an effortless elegance that feels both modern and timeless. Rooted in heritage craftsmanship yet designed for today, Boiselle offers a refined foundation, one that brings a sense of ease, intention, and inspired living to every space.

Drawing inspiration from salt-kissed timber, *Selle* has a weathered warmth that adds quiet character. Its organic tone sits between light and medium, offering a grounded, natural foundation with a lived-in feel. With just enough color to create presence without overpowering, *Selle* works effortlessly across coastal, modern and heritage inspired interiors.
